## Environmental Policy

Greenfield Demolition Nationwide Ltd is committed to the implementation of proactive measures to help protect and sustain the local, national and global environment for future generations. The Directors recognise the impact of its operations on the environment and aim, by increasing the understanding in respect of these activities to minimise any detrimental effects that may occur. By working together we can create a safe and clean environment and ensure that environmental issues are kept at the forefront of everyones mind and given proper attention at all times.

Our aim is to:

1. Fully comply with the law, current legislation and regulations and to take a pro-active approach to future legal requirements and obligations.
2. Ensure everybody within the company has a duty of care for the environment, its habitat and biodiversity.
3. Encourage our employees to work in an environmentally responsible manner, with employees being encouraged to suggest new ideas and working methods.
4. Seek to conserve natural resources by ensuring the responsible use of energy, water and materials and still provide the quality of service expected by our clients.
5. Measure performance and set objectives that will be regularly reviewed with the aim of continual improvement by educating, re-using or recycling
6. Gain support from our clients and ensure they are made aware of our environmental policy.
7. Source products that have minimal environmental impact. These include items such as packaging, recyclable products, local sourcing of services and products and energy efficient electrical equipment.
8. Work with our suppliers and contractors and ensure that they are made aware of our policy and that they have compatible policies for managing their impact on the environment.
9. Regularly conduct reviews to ensure the company operations remain compliant with this policy and to set out to ensure continual improvements for the future.
10. Provide all of our employees with the information, instructions and training necessary to
